Design Quote Info

Email Address: _____

Company Name: _____ Contact Name: _____

Phone: _____ Fax Number: _____

PCB Name: _____ Part Number: _____

Pin Count: _____ Very Important (or supply BOM) Part Count: _____

PCB Design Lead Time: _____ (Note: 1 week = 7 calendar days)

Start Date: _____ End Date: _____

PCB Technology – Digital: _____% Analog: _____% High Speed: _____ MHz: _____

Diff. Pairs _____ Matched lengths _____ Crosstalk _____ Impedance Control _____

Technology Description:

Through Hole _____ Mixed Technology _____ Surface Mount _____ Double Sided Surface Mount _____

Will a netlist be submitted? Yes _____ No _____ If yes, what format? _____

Will a schematic be submitted? Yes _____ No _____ If yes, what EDA tool? _____

Will 4th Dimension PCB be required to create an intelligent schematic? Yes _____ No _____

Approx. # of pages _____

Will a Statement of Work (SOW) be submitted? Yes _____ No _____

Is 4th Dimension PCB required to build any symbols or part geometries? Yes _____ No _____

How many different symbols or part geometries need to be built? _____

Will a Board Outline or Mechanical Drawing be included? Yes _____ No _____

Approx. Board size _____ X _____

Will a placement or Assembly Drawing be included? Yes _____ No _____

Test Points for every net (in circuit test)? Yes _____ No _____
